Rett, John, and Kurt -

Thank you for your time on Tuesday. We appreciated the agency's thoughtful feedback on our request that EPA correct the Ohio SIP by removing the public nuisance provision. We have additional information we plan to provide concerning several of the points you made at the meeting and will get those to you next week.

In the meantime, attached is information concerning OEPA's 1999 request that EPA remove the nuisance rule from the SIP. Please let me know if you have any questions.

Thanks,  
LeAnn
